ACTIVITIES

To you who have understood, assisted, and encouraged us; to you who have sacrificed so generously to prepare us to take our place as good citizens—to you, dear parents, we, the senior class of Tussey Mountain High School, dedicate the "Titan."

The yearbook staff of the 1962 Titan wishes to express the appreciation of the Tussey Mountain High School student body to the area Board of Education and all forward-minded individuals who in any way facilitated and attained the construction of our most modern and progressive school environment.

ADMINISTRATION

American history is full of the names of individuals who possessed initiative. They were a distinct part of society. They did not feel that their government owed them anything but the right to life, liberty and the pursuit of happiness. They were willing to furnish the mental and physical effort necessary to guarantee these rights to the individual. In a democracy a government exists for the good of its citizens. If the individual citizens in our U. S. democracy ever lose that distinctive characteristic of initiative and pride in achievement, then our nation will have begun to decline. My greatest desire for each graduate is that you may have that exclusive American trait, that the good of all members is best served by the greatest amount of effort put forth by each individual.

H. A. Alcorn
Supervising Principal

Let us not lose the sense of the awe and mystery of life. Our very triumphs have disclosed our mortal limitations. The more we learn, the more remains to be learned. Science, far from making us arrogant, teaches us to be humble. In this universe of endless wonders, the most wondrous is the human mind capable of delving so deeply, and the human heart aware of depths it can never plumb.

E. Wilson Gates
Principal

Every era, every generation, and every part of each life presents ideas which appeal to the human emotions. Your reactions to these may determine the success or failure of our society.

Today, you are confronted with extremes which on the surface may appear sound to you. Careful consideration of all the facts should be weighed before judgment is made.

Your high school education should provide much help in aiding each one of you to make the right decisions. Good judgment will mean growth; poor judgment will mean deterioration.

UNDERCLASSMEN

JUNIORS

The 126 juniors elected as their officers Shirley Bolinger, secretary; John Mitchell, treasurer; Mickey Black, president; Susan Capwell, historian; and Gary Martin, vice-president.

Under the advisement of Mrs. Williams, Mrs. Witowski, Mr. Witowski, and Mr. Clapper, the juniors worked quite diligently to make the most important social event, the Junior-Senior Prom, a success. One way in which they raised money for this occasion was by selling magazines.

Many of the juniors were active in sports, music, and other activities. Also in this year it was a great thrill for each person to receive his class ring.

ATHLETICS

ATHLETIC DIRECTOR AND COACHES

There are certain qualities that athletic teams must possess and exhibit in their class. An athletic team must be strong in sacrificial quality, in courage, and in loyalty, or it will be impoverished in morale. Morale, as here considered, is the state of mind of the player founded upon knowledge of proper technique, attitude on and off the field, willingness to be expendable, pride in self and team, and enthusiasm for the game—all of these qualities having their circulation in *well-based confidence*.

Well-based confidence gives a team its dash, its assurance, its poise; gives it the ability to outscore a rival of equal courage, equal fighting capacity, equal ability to win. However, caution must be taken in teaching confidence, and the line of demarcation will become discernible between sound confidence and over confidence.

Tussey Mountain High School's athletic staff adheres closely to the above mentioned generalization and feels that its guiding principles are contributing, at least in part, to our championship teams and other successes.

O. W. Troy
Athletic Director

Our coaching staff consists of Mr. Haushalter, head football coach; Mr. Shoenfelt, head basketball coach; and Mr. Reasinger, head baseball coach. With these three men and their assistants our athletic program is well rounded and very efficient.

The outlook of the fans of the community for the football team this year was very dim. They figured all the big guns of last year's team were gone; therefore, this year's team would not make a very good showing. This intuition proved wrong. The coaches played their part in the building of the team as they toiled to teach the players the fundamentals of the game. The players themselves had average speed and size, but they excelled in desire, spirit, and aggressiveness. The result was an undefeated season in the playing of nine games. It was the first such season for the Tussey Mountain High School, which has existed only for two years.

Undefeated was the word in the Tussey Mountain football camp this year. Yes, our team went all the way in nine games.

In the first game, the Titans literally mauled the Lions of Chestnut Ridge to the tune of 32-0. Mike McCahan, our very capable quarterback, threw a touchdown pass to end Dan Brumbaugh to get things started. Kelly Williams scored by picking up a fumble and going 30 yards for the score. Jim Williams later scored from the one. McCahan and Kelly Williams each contributed another touchdown. Kelly Williams also kicked two extra points.

The fourth and most thrilling game of the season was a 27-26 victory over the Warriors of Everett. It was mostly a case of Mike McCahan's passing arm for the victory. The other t.d. was scored by Jim Williams, who also scored 2 p.a.t.'s, and Jim Foreman scored one p.a.t.

Titans Conquer Central

In the sixth game, the Titans outplayed the Scarlet Dragons of Central both offensively and defensively, beating them 20-7. Mike McCahan tossed a t.d. pass to Jack Decker, and Tom Cypher tackled a Central player in the end zone for a safety. Jim Williams barrelled over from the four yard line after the kickoff. Tussey Victorious Bald Eagle

The eighth win came when the Titans hurdled the-big-gest and toughest game of the season by trouncing Bald Eagle 19-7. McCahan uncorked a 35 yard scoring pass to Jim Williams, and Kelly Williams barrelled into the end zone for a 24 yarder. Don Donaldson applied the finishing touch when he returned a pass interception 65 yards for a t.d. Jim Williams scored the only p.a.t. of the evening for the Tussey eleven.

Tussey Smothers Williamsburg

For their ninth consecutive win and their undefeated season, the Titans scored at their own will as they rolled over Williamsburg 47-0. The scoring went as follows: Jim Williams on a 4 yard plunge; McCahan on runs of 25 yards and one yard; Kelly Williams on runs of 4 yards and 27 yards; Mick Foreman on a plunge of 3 yards, and Decker on a 31 yard reverse. GLENN BLACK—Junior High Coach

8 years coaching experience
6 years at Robertsdale;
2 years at Tussey Mountain

1961-62 team compiled a record of 10 wins and 2 defeats. Mr. Black feels that this was one of his better teams. He believes fundamentals are still the answer to winning basketball.

DONALD BRUMBAUGH—Junior Varsity Coach

3 years coaching experience
1 year Saxton Liberty;
2 years Tussey Mountain

Mr. Brumbaugh is a firm believer in conditioning, fundamentals, and discipline, and handles all three very capably.

MR. SHOENFELT—Varsity Coach

9 years coaching experience
7 years at Saxton Liberty;
2 years at Tussey Mountain

Mr. Shoenfelt's teams have won four consecutive Bedford County League Championships, and 29 of the last 30 league games. His teams haven't been beaten in league play since mid-season 1959-60.

In the two years' existence of Tussey Mountain High School, his teams have won 38 games while losing only 2.

He was elected "coach of the year" by rival coaches for two consecutive years in Bedford County.

Mr. Shoenfelt developed the following philosophy, which he considers a must for all basketball players:

"Any athlete must first develop a strong character based upon *pride*, *respect*, and *desire*. Once this is truly mastered, winning is more greatly appreciated and certainly much easier accomplished."

Tussey Mountain—Bedford

Our squad hosted the first game to a short Bedford team and out shot them to the tune of 65-43. Rebounding was the main element in this contest and, in this, Tussey excelled. Clay took the scoring honors with 24 and Don ripped the cords for 21.

Although the Bisons pressed us in the closing portion of the second game, we again emerged on top by a 62-55 score. Again our well balanced scoring proved a big help to us as Don flipped in 25 followed by Clay and Tim with 12 and 10 points respectively.

Tussey Mountain—Chestnut Ridge

The Lions played host in the first of the two games and came out on the short end of a 59-30 score. Our defense was outstanding in this game as not one of the opponents hit double figures. Our scoring was led by Mike McCahan with 14 while Clay and Don contributed 13 and 10 points respectively.

In the second match, the Ridgers took a 59-31 thumping on our home boards. As in the previous game, the Lions failed to place any player in double figures. For Tussey, Dan led the scoring with 17, followed closely by Tim with 16 and Clay with 14.

CHEERLEADERS

The Tussey Mountain varsity cheerleaders include the following: Ruth Putt, captain; Carolyn Singer, Terry Stevenson, Donna Lynn, Darla Willison, Connie Chamberlain, Andra Weimert, Ginger Ripple, and Linda Davis.

These girls were chosen from numerous candidates in early September, and since then they have combined much enthusiasm and spirit with many long hours of hard work. The results showed a well precisioned and highly skilled squad which proudly initiated and donned the attractive scarlet, black, and white uniforms.

Graduating cheerleaders include Ruth Putt, Carolyn Singer, Terry Stevenson, and Donna Lynn, who will carry with them many cherished memories of their cheerleading experiences at Tussey Mountain High School.

Jr. Varsity cheerleaders, Irene Putt, Captain; Hattie Berger, Marie Shaffer, Susan Warsing, Janet Russell, and Shirley Perrin, showed great enthusiasm in leading the cheers during the J.V. games.

GIRLS' COACHES AND COUNCIL

Miss Felock, graduate of Slippery Rock, and Miss Mayer, graduate of Lock Haven, are much interested in enlarging and promoting the girls' physical education program. They are striving to do this primarily through two means.

The first is through broadening of the curriculum content, bringing the girls into contact with new and varied activities. Through these activities they hope to emphasize the importance of good physical conditioning, to promote such things as good sportsmanship and group cooperation, and to interest the girls in activities that will perhaps have carry-over value for later life.

The second means being used to enlarge and promote the Physical Education program is development of various extra-curricular activities, in which girls may participate if they choose. Some such activities in progress this year were Junior and Senior high cheerleading squads, girls' varsity basketball team, bowling club, pep club, and an intramural program.

Miss Felock and Miss Mayer hope that the students will continue to cooperate with all efforts made to advance the physical education field at Tussey Mountain.

An intramural program was run during the second semester of the year with a council of the following eight girls providing the student leadership: Hattie Berger, Joyce Troutman, Lena Dolt, Anna Tedrow, Nancy Hickes, Peggy Mykut, Judy May, Bonnie Dickinson. Miss Felock and Miss Mayer were advisors.

They began activity with basketball when girls desiring to participate were organized into teams and played on an interclass competitive basis Thursday and Friday mornings during activity period.

Spring plans for intramural sports include softball, field hockey or soccer, and a track and field event.

OUR BASKETBALL LASSIES

The first girls' basketball team of Tussey Mountain was formed in December of 1961. They were chosen by our coaches Miss Mayer and Miss Felock. January started many hours of long, hard practice which no one involved thought they would live through. Our first game was with Forbes Road. We lost 35-30, but played a very good game, taking into consideration it was our first and everyone was pretty tense. At our second game with Green Hill, however, we came out on top—25-19. At the first home game the team won 30-29 over Forbes Road.

The team consists of sophomores, juniors, and seniors. The senior members are as follows: Carolyn Singer, Ruth Putt, Lee Ann Clark, Sonja Cimbalista, Sherry Weaverling, Sally Wyles, and Sally Steele. Karen Taylor, also a senior, is a manager. Working together as a team, we have had many hours of hard work, which were mixed with many good times, one of which was a trip to Mifflintown to see a girls' basketball game.

BOWLING CLUB

A girls' intramural bowling league, consisting of 11 teams, has been started at Tussey Mountain High School.

In December approximately 50 girls, most of whom had never bowled before, began their trips to the Holiday Bowl in Altoona. There they displayed their skills and had fun learning an enjoyable and wonderful sport.

On January 6, 1962, league play began with each girl aiming for those strikes and spares!

This spring we plan to have a Bowling Banquet. At this Banquet many trophies will be given to the best skills. These trophies will be given to us by the Holiday Bowl.

The following officers for 1961-62 are: President, Carolyn Singer; vice-president, Darla Willison; secretary, Jane McCahan; assistant secretary, Doris Ramsey; treasurer, Sally Steele; and assistant treasurer, Connie Figard.

We, the girls of the Bowling Club, feel we should express our appreciation to Miss Mayer and Miss Felock for taking their time and effort on Saturdays to give us the pleasure of learning this popular sport.

PEP CLUB

For the first time a Pep Club was organized at Tussey Mountain High School. It provided lots of school spirit and team support, at both pep rallies and games. These pep club members were a tremendous help to the cheer-leading squad, helping them to introduce new cheers.

The officers of the club were Judy Barto, president; Marietta McGhee, vice-president; Carl Foster, secretary; and Dixel Spencer, treasurer. Miss Mayer and Miss Felock served as advisors.

These students were most loyal and enthusiastic for all their interest, time, and effort put forth in displaying school spirit and support.

TITAN STAFF

One of the greatest challenges facing any senior class is the publication of a yearbook which will present a true picture of activities of the students, both at work and play, and the functions of the school administrators. The class of 1962 has worked diligently to meet this challenge. How successful we have been in our efforts will depend largely upon how much enjoyment and satisfaction you derive from the pages of this annual.

The staff and its advisors have endeavored to make this yearbook one which you will cherish highly among your most prized possessions. With this expectation, we proudly present the 1961-62 "Titan" of the Tussey Mountain High School.

The yearbook is the work and responsibility of many people. It is more than just a book with pages full of pictures and words. It is the symbols and results of the hard work of the dedicated people pictured above—the yearbook staff of Tussey Mountain High.

The yearbook staff of Tussey Mountain High School is composed of 52 members of the senior class. The staff sincerely hopes that this year's edition of the "Titan" will appeal to everyone, perhaps containing a bit of wisdom for the more serious minded as well as entertainment for the humorous.

The yearbook staff of Tussey Mountain High School, as well as everyone else who was connected with this yearbook, are very proud of the 1962 "Titan."

MUSIC DIRECTOR AND OFFICERS

Mr. Shoemaker, who is affectionately called "Shoe" by his students, is the leader of our band, dance band, and chorus. "Shoe" has been around for quite a few years; and this year he was almost lost when he moved into his big, new band room after teaching in the "ticket office" for so long.

"Shoe" has produced many prize-winning bands, and he is known for his clever half-time shows at football games.

DISTRICT CHORUS MEMBERS

Left to Right: Louis Ciucci, Darlene Williams, Tim Moore, and Lee Ann Clark.

Tryouts for chorus were conducted by Mr. Shoemaker at the conclusion of the football season. As a result, 55 students were selected to be chorus members. The group is made up of 13 1st sopranos, 14 2nd sopranos, 12 baritones, and 16 altos. Edward Browell, a junior, is the pianist for the chorus.

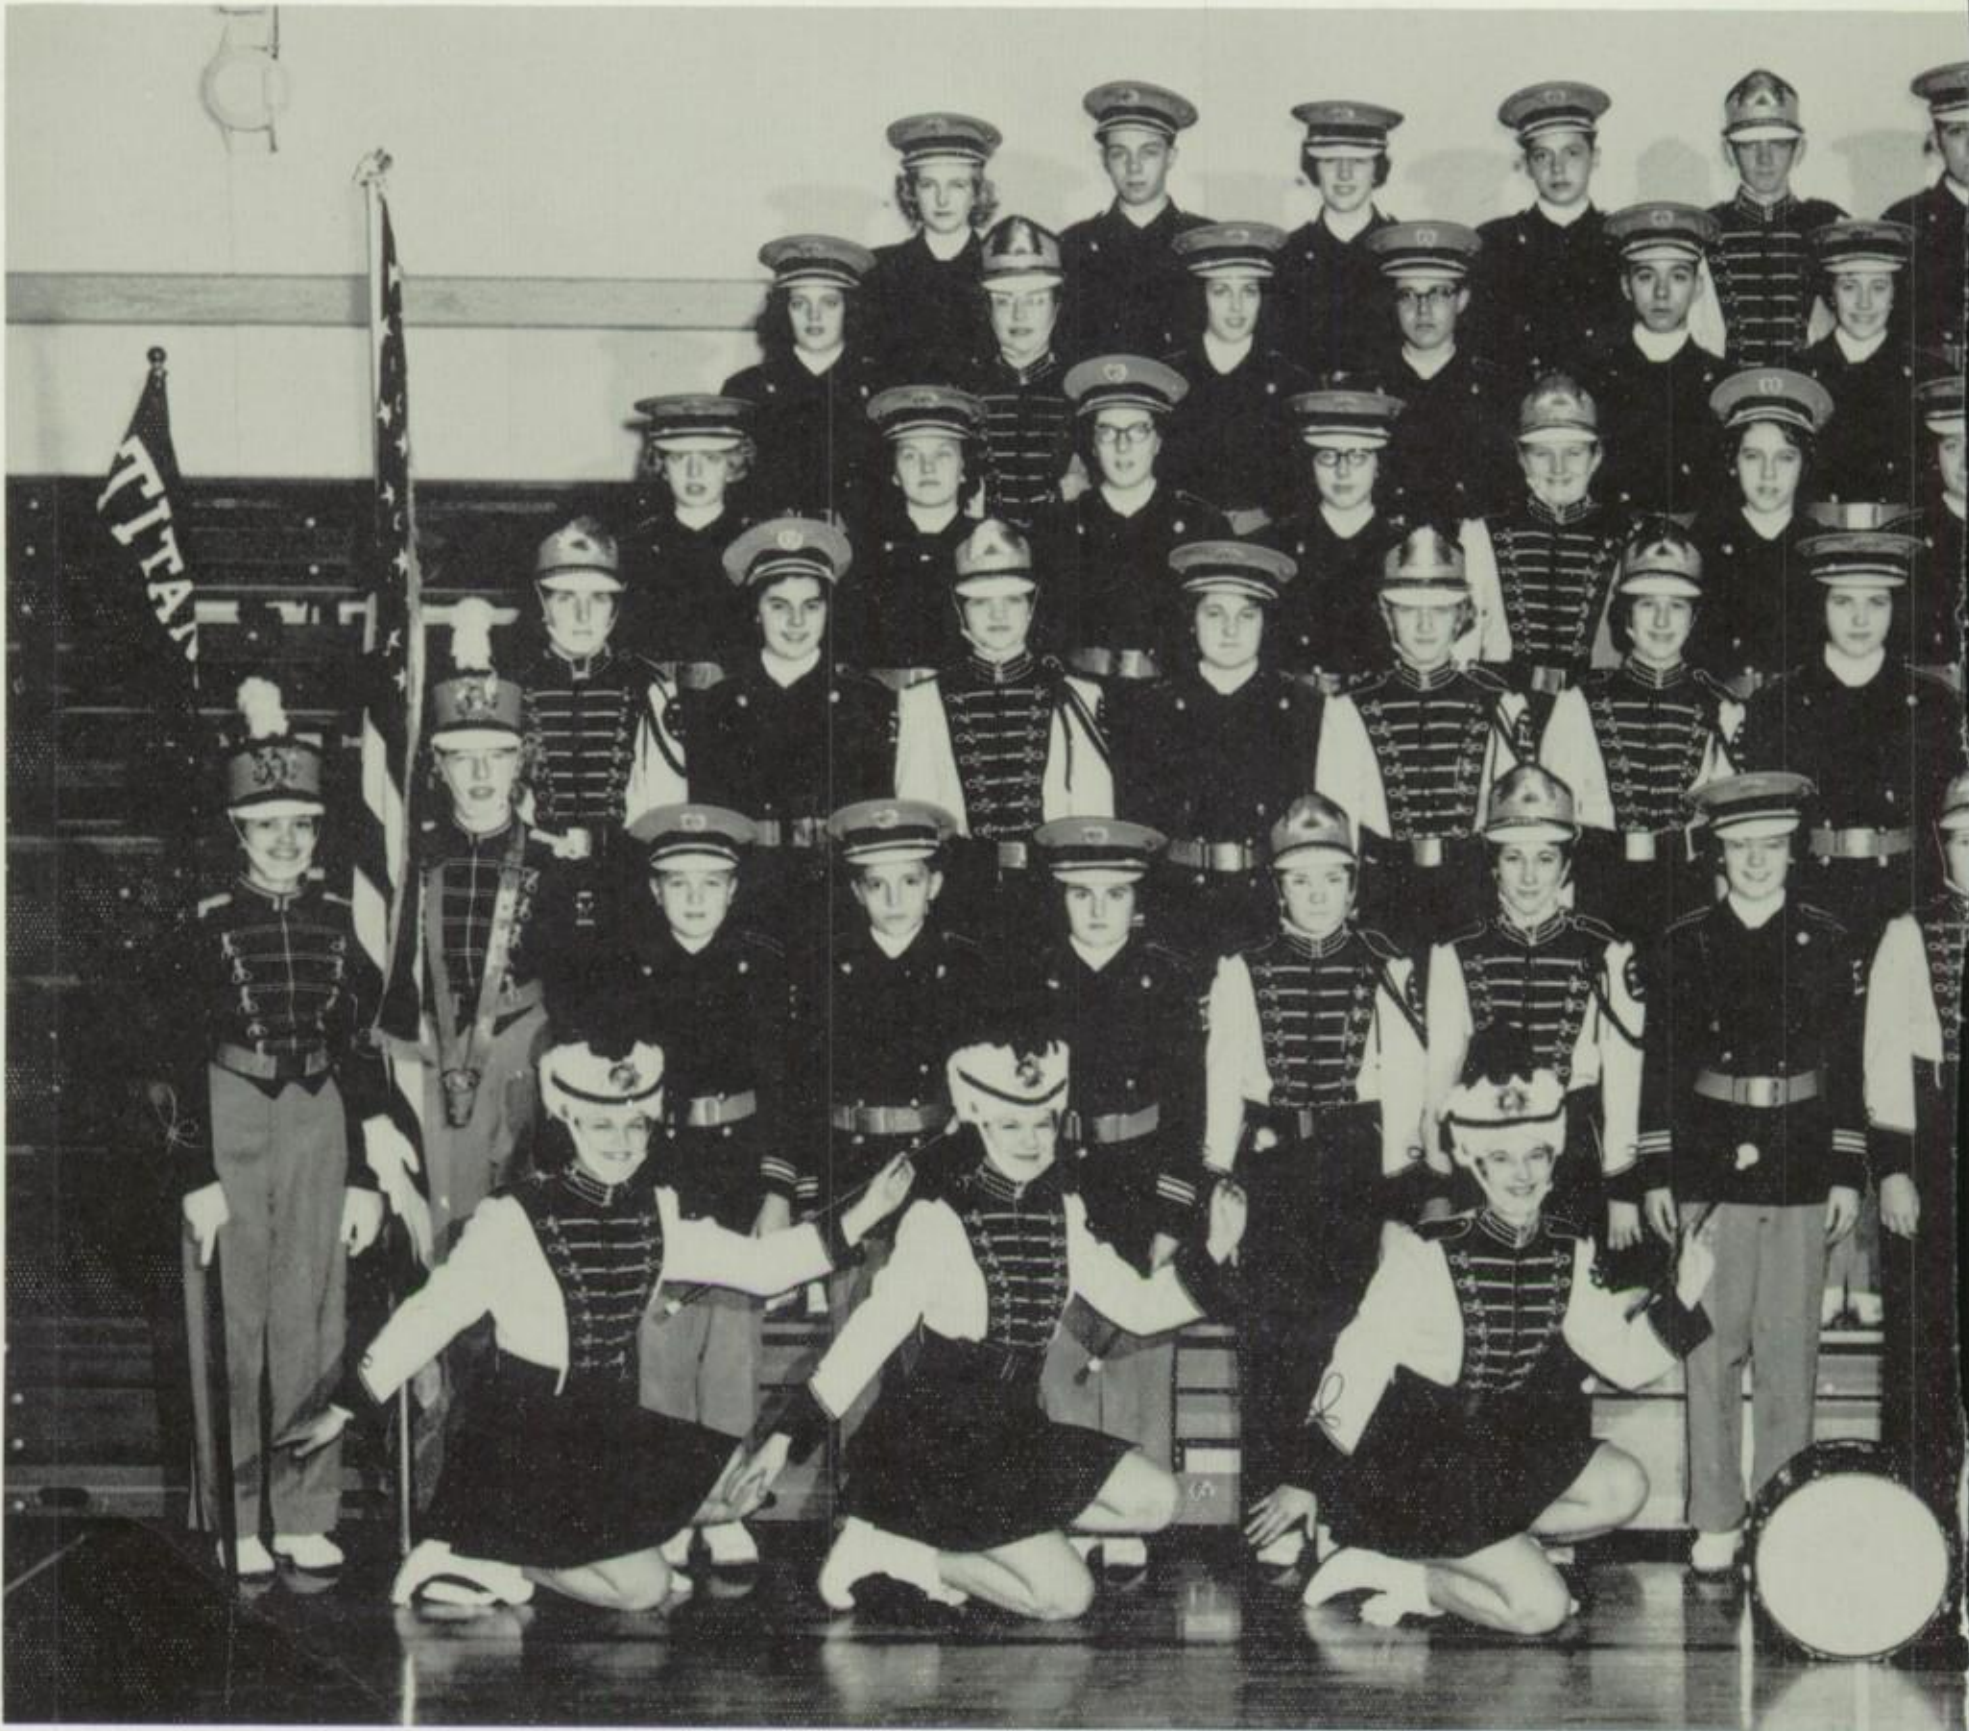

The group made its first appearance at a Christmas concert presented by the music department in the T.M.H.S. auditorium.

Twenty singers from the group will be participating in the Bedford County Chorus Festival when it is presented at Tussey Mt. H. S.

It is expected that the Tussey Mt. vocalists will be making appearances in a number of spring events—the Dedication of the new Tussey Mt. H. S. Building, the annual Spring Music Festival, and the annual commencement and baccalaureate programs.

Tryouts of members of the former Robertsdale and Saxton-Liberty bands were held in August, 1961, and the new Tussey Mountain "Titan Band" was organized during the first week of school. The "charter membership" of the new musical aggregation includes 63 playing members and a band front composed of 5 girls in the color guard and a twirling corps of 7 girls. The band made its first appearance at the Chestnut Ridge football game, and appeared each week-end thereafter at each game on the Tussey schedule. Some of the half time shows which the band presented during the season were: The Chewing Gum Episode, Space Trip, and Serenade to Girls (Susie, Nellie, Ida, and Pat).

In October, the band participated in Halloween parades in Saxton, Everett, and Huntingdon; and on November 27th the group escorted Santa Claus through town in his annual pre-Christmas visit to our area.

On December 19, the Titan musicians played a very prominent part in the annual Christmas program presented in the auditorium by the high school music department. This was the first use of the new auditorium by the student body.

The 1961-62 edition of the Tussey Mountain High School Dance Band was organized at the conclusion of football season. The group this year included five saxes, four trumpets, three trombones, one bass, drums, and piano. The first appearance of the year was made on December 19 in connection with a Christmas program presented in the auditorium by the high school music department. The Titan musicians also supplied incidental music at the presentation of the annual senior play, playing before the play, between the acts, and again at the conclusion of the performance.

The group was next heard as a part of the musical program in connection with the annual Spring Music Festival, which was presented in the auditorium in May. At this writing, the members of the Dance Band are hoping to be invited to play for a prom in one of the neighboring high schools.

Five members of the Tussey Band represented the band and school at the District Band, which was held at Windber on January 18, 19, 20. All five of the girls acquitted themselves in fine fashion and reported having a nice time and a worth-while musical experience performing with the outstanding band members selected from a six county area.

As a result of the try-outs held in connection with the District Band, two of the girls were further honored by being selected to play in the all-state band which was held in Meadville on February 8, 9, 10. These students were Kay Spencer and Peggy Allison. Both girls were thrilled playing with a 200-piece band selected from an 18 county area, and directed by Professor James Dunlop, Director of the famous Penn State Blue Band.

OUR LIBRARY

The principal duty of the school librarian is to assist students in the use of the library so that they may further their education and find enjoyment in the habit of reading. To free the librarian so that she may offer reading guidance and reference assistance, our library has student library aides to perform the more mechanical operations.

Students are a help to the librarian and to themselves, for this is an outlet whereby they give service, and they learn new skills and facts.

Library aides offer their services one period daily. Their first requirement is that they should be good students so that their time given to the library will not adversely affect their class work.

Our student aides who assist Miss Ann Marcocci, our librarian, include Shirley Bush, Shirley Covert, Laura Rourke, Helen Skvarka, Sue Stetchock, Joyce Troutman, Donna Hoover, Sue Ann Heath, Renee Hiquet, Carolyn Hooper, Henrietta Hydrick, Sherill Lyon, and Marsha Marks.

Miss Ruth Ann Johnson, one of our English teachers, assisted with duties of the library during Miss Marcocci's lunch hour.

George, are you a library aide?

 Mary Selby—KAREN TAYLOR
 Mrs. Rossi—DARLENE WILLIAMS
 Mrs. Cronin—RUTH PUTT

 Pa Brown—DAN BRUMBAUGH

Old Doc Hillary thinks his son Bob is coming home from medical school to practice with him. But Young Doc has been offered a rich and easy big-city practice with Dr. Brand—and also a chance to marry Helen, his daughter. It all sounds fine, but for two things: First, Young Doc is still in love with his home-town girl, and second, he doesn't have nerve enough to tell his father that he isn't going to practice with him. He leaves him a note—and when Old Doc reads it, he suffers a stroke. When Ma shows Young Doc what a half a century of practice with the home folks has meant in human lives saved, it's up to Young Doc to choose his practice—and his wife!

The production was directed by Mr. and Mrs. Daniel Brumbaugh assisted by Mr. Patrick Smith.

"And how's the wee one today?"

"And if you want me to tell what's wrong with you, you'll have to wash your face, so I can see what you look like."

"Old Doc allus told them right off for what they was. They didn't like it, but it saved a heap of time."

OUR PROMS
